Meeting was held through Microsoft Teams due to COVID-19 Pandemic.

Welcome of New IAAC Members and Overview
Each member introduced themselves to the group. There are 9 new members on IAAC. A brief overview of the committee was shared.

Assessment Reporting Update
- All but 4 units have completed their annual assessment reports.
- The Institutional Assessment Review Committee (I-ARC) will review 80 educational program and 24 support unit reports.
  - There are 38 reviewers for educational programs and 14 for support units. 13 of the reviewers are new.
  - Training dates are set for the I-ARC.

Strategic Planning
- The UNC System Refresh was completed in Spring 2022.
- ECU has partnered with a consulting firm to facilitate the refresh of the institutional strategic plan with the intent to have a completed draft plan by December 2022.
- During Spring 2023 strategic planning units will draft plans and align to the ECU plan.

SACSCOC Update
- Compliance certification report was submitted to the Off-site Committee September 7, 2022.
- On-site Committee visit March 27-30, 2023.
- Feedback from On-site Committee April 2023.
- Final reaccreditation decision by SACSCOC BOT December 2023.

Program Reviews
The following departments/programs and centers are scheduled for review in 2022-23:
- Fall 2022
  - Department of Economics
  - African and African American Studies
- Spring 2023
Survey Updates

- First Destination Study
  - FDS public facing dashboard has been created and is located at: [https://ipar.ecu.edu/power_bi/first_destination/](https://ipar.ecu.edu/power_bi/first_destination/). Both *Internal* and *Public* facing dashboards are updated with academic year 2020-2021 data.

General Education Assessment Update

- AY 2022-23
  - Fine Arts & Social Sciences: submission of syllabi and student artifacts
  - Health & Natural Sciences: data analysis and dissemination of results, submission of departmental action plan
  - Math & Written Communication: implementation of action plan
  - Humanities: submission of progress report; orientation for the next assessment cycle
