

## **General Education Assessment Action Plan**

Please interpret the findings and provide a specific action plan that can be implemented to improve or reinforce student learning as a result of the assessment process. The action plan should address the area(s) in need of improvement or reinforcement. The plan does not have to be limited to general education student learning but could include departmental initiatives designed to improve student success.

### **Part One: Results Discussion / Reflection**

Please provide insightful interpretations of the results presented in the Findings section, noting any relevant context / background or concerns the unit may have.

### **Part Two: Action Plan**

Please describe what actions you will take as a result of the assessment in the following four areas.

**a. Pedagogical / Curriculum**

**b. Student Support Services**

**c. Faculty Development**

**d. Other Areas**
