Strategic Planning Update

- Unit Alignment Strategic Plans will be housed in Nuventive Improve. IA and Nuventive are working on creating the infrastructure for those units and IA will finish entering all plans. Mapping will also be completed.
- 2024-2025 reports will be entered in Improve by units. Resources, trainings, and consultations will be done by IA.
- Visualizations and the publications of the unit overviews are next steps.

UNC System Assessment and Accreditation Council Meeting

- Institutional Accreditors
 - HLC and MSCHE Institutional Accreditors
 - ECU Timeline
- Academic Program Planning
 - Biennial Workforce Scan
 - Biennial Program Productivity Report
 - 7-year Academic Program Inventory Review
- Foundations of American Democracy
 - Two Student Learning Outcomes

Assessment Reporting Update

- 2023-24 assessment reports are due June 15 for educational programs with 12-month faculty and August 1 for support units. 71% of educational programs have completed their report (compared to 64% last year on this date). Institutional Assessment will be sending out reporting reminders to support units this week.

Possible Changes to IARC Process

- Complete rubric in Nuventive Improve instead of Blue
- Fewer questions on the rubric:
 - Combine 2 questions for Actions Taken into one question and combine 2 questions on Actions Planned into one question.
- Fewer outcomes/MOAs to review:
 - Recommend all units review only 2 outcomes and 1 means of assessment.
