Note: The CUPA-HR (College and University Professional Association for Human Resources) Faculty in Higher Education Salary Survey for four-year colleges and universities collects salary data for full-time faculty by discipline, rank and tenure status.

Note: Statistics will not display when the number of institutions is fewer than 5 (too little data) or when one institution's data comprise more than 25% of the total (unbalanced data).

Note: For Carnegie descriptions and methodology, see: https://carnegieclassifications.iu.edu/classification_descriptions/basic.php

Note: For a listing of institutions within each Carnegie classification, see: https://carnegieclassifications.iu.edu/lookup/standard.php#standard_basic2005_list
